Please join us for our **42nd Annual Band Aid Open “Golf Fore Kids”** outing to be held at the picturesque **The Ridge at Back Brook** in Ringoes, NJ on **Monday, June 11, 2018**. This annual tradition and favorite event of businesses and community leaders, as well as physicians, is a great way to spend a morning or afternoon of networking, while benefiting enhanced, state-of-the-art Pediatric Services at CentraState.

The Ridge at Back Brook was voted #1 Private Course/Club in New Jersey by Golf Styles Magazine in 2016. Along with hosts of other accolades from Golf Digest, Golf Inc., The NJ Chapter of the NGCOA and Golf World, this course designed by Tom Fazio is far from any course you’ve played before. “Golfers will be shocked by the natural beauty and drama of The Ridge At Back Brook. The “wow” factor will be redundant here. Just when you think you’ve played the best nine holes you’ve ever played, you step up to Number 10 tee and it starts all over again.” – Tom Fazio

Please use the enclosed sponsor form to make your sponsorship or advance golfer registration. You may also register online at [www.centrastatefoundation.org/bandaidopen](http://www.centrastatefoundation.org/bandaidopen). We only have 120 afternoon golfer spots – so do not delay in making your commitment. The afternoon session will sell out and reservations are taken on a first-come, first-served basis.

We also attach and in-kind donation form for those who wish to donate to our silent auction to raise money on the event day. Auction items are always welcomed and nothing is too big or too small to include.
