

April 1, 2018

Dear Friend of the Linda E. Cardinale Multiple Sclerosis Center,

CentraState Healthcare Foundation invites you to participate in our 17th annual event to support the **Linda E. Cardinale Multiple Sclerosis Center** on Friday, September 14, 2018 from 7:00pm – 10:00pm. This year's *A Taste of the Harvest* is sure not to disappoint with an abundance of fine foods, over 70 wine, spirit and craft beer samplings, and tons of harvest fun! We hope you can join us during this celebration benefiting CentraState's MS Center, the largest and most comprehensive such facility in New Jersey. Your contributions to the event directly help those living with MS.

Until a cure is found, thousands of mostly young adults depend on us to keep them active, mobile and in many cases employed. MS is a disease that can have a significant impact, both physically and psychologically. That's why the goal of the Linda E. Cardinale MS Center is to provide comprehensive, high-quality care to patients with multiple sclerosis through accurate diagnosis, education, establishment of an appropriate plan of care, and executing an individualized treatment plan.

The success of this annual event depends on our generous sponsors, attendees, supporters and the creative and interesting items we receive as donations for our gift raffle. Not able to attend the event? Show your support with an ad in the program or the purchase of 50/50 raffle tickets (winner need not be present).

Don't miss out on this great opportunity to support this meaningful endeavor! Your sponsorship or in-kind donation will be acknowledged with signage at the event as well as on our website. We anticipate nearly 600 guests from the Tri-State region will be in attendance at the event.

On behalf of the Cardinale Family and the MS Center Staff, we thank you in advance for your consideration. Please call (732) 294-7030 or email foundation@centrastate.com for more information.

Sincerely,

The 2018 Taste of the Harvest Committee
